Shower Timers are designed to reduce consumption of water through awareness of the length of showers. They are not for precise time measurement. Timers work more accurately if used consistently as sand runs more freely.

LL744s Soap Sheet Dispenser (STOCK)

10 sheets of fragrant soap in a handy plastic pack. Clean hands anywhere! Washing instructions included.
Colours: Clear.
Print Area: Opening Side - 40mmL x 30mmH, Closed Side - 40mmL x 55mmH.
Item Size: 70mmL x 48mmH x 10mmD.
